

HYDRAULIC HAND GUN

Part # 1000Z

The **Hydraulic Hand Gun with Z-Swivel** is a 10,000 psi Grease Gun equipped with a High Pressure Tee, 15,000 psi Gauge, Z-Swivel, 18" Hose and Giant Button Head Coupler.

Recommended for lubricating Manifold Plug Valves, Transmission Plug Valves, Ball Valves and Distribution Low Pressure Plug Valves. Simply load a "J" stick of lubricant and or liquids into a **Hydraulic Hand Gun with Z-Swivel** to lubricate or clean valves at your location. When using cartridge grease a Cartridge Loader must be ordered.
