

NANO PRO MT *VS* WD-40®

SAME JOB? **NOT EVEN CLOSE.**

BUILT FOR PERFORMANCE

ADVANCED PENETRATING NANOTECHNOLOGY

Nano particles penetrate deeper to break bonds and free seized parts.

FAST ACTING

Works quickly to loosen what others can't.

CORROSION FIGHTER

Protects metal surfaces from rust and future corrosion.

MULTI-USE POWER

Bolts, nuts, hinges, locks, tools, equipment, and so much more.
